Forecast For West Midlands
Issued by Met Office Exeter
at 1600 on Saturday 16 Jan 2021

++ Valid for broadcast between 1800 and 0600

Headline:
Dry to start but showers arriving overnight.

This Evening and Tonight:
A dry and often cloudy start to the evening. Late into the night there will be scattered showers arriving from the north. Feeling less cold than previous nights but patchy rural frost is still possible. Minimum temperature 3 deg C (37 deg F).

Sunday:
A sunny start to the morning for some before more cloud arrives into the region by the afternoon, turning the sunshine hazier. Largely dry throughout the day. Maximum temperature 6 deg C (43 deg F).

Outlook for Monday to Wednesday:
A dry start to Monday before rain arrives during the evening. Windy with outbreaks of rain on Tuesday. Further rain on Wednesday but winds starting to ease.
